FIAT Ducato 2.200 cc  
140 HP EURO 6E **FIAT**

With its unmistakable exterior design, Magnum is the perfect balance of spaciousness and comfort.

With its excellent stowage solutions, it offers everything you need for premium comfort both when travelling and during your stay.

It is easy to be won over by the warm wood tones contrasting with the high-gloss finishes of the panels, but what impresses on board the Magnum are the interior living solutions.

**NOTES**

ELNAGH reserves itself the right to change the characteristics and the furnishings of all its models with no advance notice required; all data contained in this leaflet must therefore be considered approximate and non-binding.

Despite thorough checks of the contents, we cannot exclude possible printing and/or translating errors.

This catalogue does not constitute contractual documentation.

For the above reasons, all information relating to the specifications and equipment of each model must be requested prior to purchase from the dealer, who, as the sole contact person, will confirm or correct the data published by updating the customer on the characteristics and actual equipment of the relevant vehicle being negotiated.

Any reproduction, including in part, of the text or of the content of this document is prohibited.

The indicated weights are exclusively approximated. Tolerances of +/-5 % are allowed.

Generally speaking, special equipment and options increase the no-load weight and entail a reduction in the payload.

We hereby decline any and all responsibility in case structural changes are made to the vehicle; any assembly, disassembly or changes carried out by unauthorised workshops may jeopardise your safety and cause the warranty clauses to be forfeited.

For additional information on installation and technical details, please contact one of our dealers.
